

# Valentine's Day

at Tasty African Food

Hello Tasty lovers,

This Valentine's Day (14<sup>th</sup> of February 2017) we at Tasty's decided to do a *Valentine's Day Special* at our Tasty branches. The Tasty team decorated the takeaways and restaurants to give that lovely *Valentine's Day* feel.

At the takeaway branches, **FREE** chocolate was given to our lovely customers at Tasty's just to show our appreciation for supporting us all of these years!

While... at the restaurants (Dagenham, Barking, Woolwich 1 & Dartford) we decided to do something a little extra *Special* - this entailed the Marketing department going out of their way to decorate the branches and give that fine wine and dine feeling; candles were lit, red rose petals were on the table & wine glasses were set out for our guests.

Our *Valentine's Day Special* was extra *Special* at our Tasty branch in **Dartford** because we at Tasty's decided to invite local churches in and around Dartford for a *Special Valentine's Day* meal which was **FREE** of charge. We did this to celebrate the success of our Dartford branch being our newest and 12<sup>th</sup> Tasty branch to open and to thank our loyal customers at Tasty's! Why not give back aye? ☺
